

Lisa Conroy, CFA

**Product Specialist, Fundamental Equity Team
Connor, Clark & Lunn Investment Management Ltd.
Vancouver, British Columbia**

Lisa Conroy has been the product specialist on the Connor, Clark & Lunn Investment Management Ltd. equity team for over ten years. Connor, Clark & Lunn Investment Management Ltd. is part of the Connor, Clark and Lunn Financial Group, one of Canada's largest independently owned asset managers that is responsible for collectively managing approximately \$110 billion in assets across a broad range of traditional and alternative investment strategies, for institutional and individual investors. She has also been one of the leaders in their Women in Leadership initiative over the past few years. She began her career as a research associate supporting macro research efforts and covering diversified financial companies in Canada. Over time, she has become one of the go-to technical experts on overall portfolios and takes care of client communications. Lisa holds a master of science degree in investment management from Cass Business School in London, England and a bachelor of business administration degree from Simon Fraser University. She is also a CFA Charterholder.
