

Becky Drews

**Executive Vice President, Consultant Liaison
Sav-Rx Prescription Services
Fremont, Nebraska**

Becky Drews is an executive vice president–consultant liaison with Sav-Rx Prescription Services. Prior to joining Sav-Rx, she spent 30 years providing analytic and consulting services to multiemployer fringe benefit funds. She previously served as vice president, health care practice leader and shareholder at an actuarial consulting firm, where she helped lead the health care and compliance departments. As a senior benefit consultant, Becky was widely recognized not only for her technical expertise, but also for her leadership and commitment to developing the next generation of professionals, mentoring junior staff and fostering a collaborative professional environment. Becky's areas of expertise include plan design and cost-containment strategies, compliance, mergers, financial modeling, vendor network analysis and renewals, and annual rate projections. Beyond her client work, she is deeply engaged in advancing the multiemployer benefits industry. She is a frequent conference speaker and moderator for the International Foundation of Employee Benefit Plans, an author for *Benefits Magazine*, a member of the International Foundation's Professionals Committee, faculty for the New Trustees Institute Program, and a member of the Benefits Magazine Advisory Panel.
