

Diamond Howell, Ed.D.

**Staff Health & Wellness Manager—
Emotional and Social Pillars
Phoenix Union High School District
Phoenix, Arizona**

Diamond Howell serves as the staff health & wellness manager over the emotional and social pillars for the Phoenix Union High School District (PXU). With over 15 years of experience in education, Diamond has always been passionate about supporting staff in a better effort to support students. She served as a classroom teacher and in several nonteaching campus support positions before stepping into her current role. Diamond believes that we were all created for GREATNESS, and she is committed to seeing each and every staff member, as well as the collective district, reach GREATNESS! She currently oversees several of PXU's wellness offerings, including the employee assistance program (EAP); a partnership with WHEN[®], a well-being program; and the work of the staff health & wellness specialists.
