

Todd D. Kanaster, ASA, FCA, MAAA

Director

**S&P Global Ratings, Americas Public Finance
Denver, Colorado**

Todd Kanaster is a Director at S&P Global Ratings in Americas Public Finance and credit analyst within the Cross Analytic Practice Expertise team. Kanaster serves as a nationwide market specialist for State and Local Government pensions and leader of the S&P Local Industry Focus Team (LIFT) for state & municipal pension and retiree healthcare (OPEB) plans. LIFT responsibilities include leading in the establishment of company policy and processes on pension/OPEB credit risk identification and mitigation analysis, speaking and publishing on behalf of S&P Global Ratings about pension and retiree medical benefits and credit risks and managing the team and providing expertise for individual credit ratings. In addition to credit analysis and pension leadership, Kanaster is a cryptocurrency & blockchain resource in the S&P Cyber & Decentralized Finance (DeFi) teams, and member of the S&P Accounting Task Force. He joined S&P in the fall of 2016 and works in the Englewood, CO office. Prior to joining S&P Global Ratings, Kanaster spent 16 years as a public-sector consulting actuary, with clients including the states of Alaska and Wyoming, at several consulting firms including Buck Consultants and Gabriel, Roeder, Smith & Co. He has extensive experience with the preparation and presentation of valuations, cash flow projections, legislative fiscal notes, and other material needed for employers ranging from small municipalities to large state systems. He is an Associate of the Society of Actuaries, Member of the American Academy of Actuaries, and Fellow of the Conference of Consulting Actuaries (CCA) and participates on the CCA Annual Meeting Planning Committee. He holds a bachelor's degree from Northern Arizona University as well as a master's degree in mathematics with economics emphasis from the University of Colorado at Boulder.
