

Nick Kingsley, ASA, MAAA

**Senior Consulting Actuary
Horizon Actuarial Services, LLC
Atlanta, Georgia**

Nick Kingsley is a senior consulting actuary at Horizon Actuarial Services, LLC where he serves a number of Taft-Hartley funds, helping those funds provide optimal value to plan participants. His experience includes benefit model development, plan design strategy, vendor renewals and RFPs, income and cost projections, utilization reviews and budget assessments. Kingsley has worked on a wide range of projects specific to each of his clients. He began his work in the health and group benefits field as an actuarial analyst for Towers Watson. Kingsley provided consulting services to a number of large corporate clients and also contributed to several nationally utilized analytic models before joining Horizon Actuarial. He is an associate of the Society of Actuaries and a member of the American Academy of Actuaries. Kingsley holds a B.S. degree in physics and a B.A. degree in mathematics.
