

Ramy Rayes, ACIA, ASA, FRM

**Executive Vice President, Investment Strategy and Risk
British Columbia Investment Management Corporation (BCI)
Victoria, British Columbia**

Ramy Rayes has been with BCI since 2016. He is responsible for setting, implementing and monitoring clients' investment strategies and for providing independent advice to BCI's stakeholders. This is accomplished by working with clients, management and asset classes to define the optimal path to achieve clients' objectives, and enabling BCI's investment structures and processes necessary to fulfill these outcomes. Ramy leads the investment strategy and risk department, which consists of three branches: strategic asset allocation, total fund management and investment risk. With over \$250 billion of gross managed assets, BCI is one of Canada's largest institutional investors within the global capital markets. Prior to joining BCI, Ramy spent a decade at Morneau Shepell Ltd. (now LifeWorks Inc.) in Montréal as principal, asset and risk management, where he advised employers on all aspects of asset and liability management for pension funds. Prior to Morneau Shepell Ltd., Ramy was part of the pension and benefits team at the Laurentian Bank of Canada. Ramy holds a bachelor of science degree in mathematics, specializing in actuarial science from the University of Montréal. He is an associate of the Society of Actuaries and the Canadian Institute of Actuaries, and a financial risk manager certified by the Global Association of Risk Professionals. He serves on the board of directors for the QuadReal Property Group.
